## Colonial Guests See Wedding

### Anniversary Celebrated by Washingtons.

The Colonial Party given by the Seniors and Sophomores which took place Saturday evening, Feb. 22, was a pleasing affair.

Those in the receiving line were: Miss Winn, Senior Advisor; Iva Ward, Senior President; Alyce Leeper, Junior President; John Robison, Sophomore President and Elmer Faris, Freshman President.

The wedding of George and Martha was carried out in pantomime to the strains of "Mendelssohn's Wedding March." Mr. and Mrs. Osburn beautifully garbed in the style of the period, appeared at their best in the characters of the notable groom and bride.

The wedding procession was made up of the reverend father Colbert, who solemnized the service; flower girls with streamers; guests of the couple and last the bride and groom. The flower girls were: Helen Dean, Francis Holliday, Elizabeth Leet, Lillian Carpenter, Laura Curfman, Lou Mutz, Abbie Colden and Mary Condon. Those who played the part of the guests of honor were: Mary Woolridge, Velma Appleby, Mabel Curnutt, Mary Margaret Richey, Clifford Clark, Lee Scarlett, Forest Brown and Martin Lewis.

The ceremony proceeded well until the word "obey" was acted out. It seemed that a crisis had been reached but finally the bride was convinced that the ceremony could not proceed until the necessary promise had been given. George handed over the check book but was much displeased to find that the little pocket purse given over to him was quite innocent of any worldly goods. At last all concerned appeared satisfied; the cake was cut by the bride; the bouquet divided among the girls and the guests enjoyed the minuet just as long ago.

Red, white and blue ice cream was served with cake. And although some wondered if bluing had been used in the cream, it did not deter them from taking a second helping when it was passed around by the hostesses.

With Mr. Osburn at the violin, the young folks had a good time dancing the Virginia Reel and were loath to leave for home when the party broke up about 11 o'clock.

Mr. and Mrs. Metzler, Mr. and Mrs. Rickenbrode, Mr. and Mrs. Col-

(Continued on Page Two)

## DEMONSTRATION SCHOOL OBSERVES FEB. 22

The junior high school and fifth and sixth grades gave a very interesting program Friday, Feb. 21. The program was almost entirely worked out by the pupils and all entered into it with a spirit of co-operation.

The Pageant, from which an episode was taken and worked out by the junior high school, was written by Miss Dykes. This episode began with the spirit of history telling the early history of America; and calling up the natural resources of the country who presented their gifts to Columbia. Then peace, prosperity and happiness paid their homage to Columbia and over this scene came the war clouds of the great European war. Peace departed saying, "she would not return until peace had been restored." With the passing of war, Columbia leads Democracy to the throne. The Pageant closes with a hymn of praise.

The other numbers of the program were: Two Folk Dances and Hero stories. The children had a party where these stories were told.

### CLASS COMPOSE FOLK DANCE.

The class in Folk Games has worked out the following dance which we wish to pass on to all the students who have taken the work and to those who may take it in the future at Number Five.

### MERRY HARVEY MAY DANCE.

Music of Cornish May Dance.  
Hofer's Book.

#### Formation:

Fifteen children form circle, drop hands and face right. Number in threes. All numbered 1 take one step outward and one step backward; No. 2 take one step forward. This forms the children into groups of three with numbers 1 and 2 leaders in each group. Hands on Hip. Dance:

All dance forward 8 counts with tapping step, starting with the left foot; turn right and return 8 counts; turn and repeat, finishing with No. 3 facing No. 1 and No. 2.

1 and 3 go forward 2 steps and back 2 steps; 3 repeats with 2.

1 and 3 exchange places, 4 counts.

3 and 2 exchange places, 4 counts.

All join hands and dance in circle to left through twelve counts, then No. 3 advances in line of direction under arms of 1 and 2 on last four counts and joins the next group, leaving 1 and 2 to turn and work with No. 3 who has advanced from the group behind.

Repeat dance three times and end with a bow when No. 3 passes under third time.

## WHY NOT RECEIVE A HEALTH CERTIFICATE?

The children of the junior high school have been giving four-minute talks on the Modern Health Crusaders.

This Crusade was started by the Tuberculosis society and is being carried out by the junior Red Cross.

To become a Modern Health Crusader and receive a certificate of enrollment and the title of Page, in Health Knighthood, you must do at least fifty-four chores, 75 per cent of the 72, in each two weeks. To rise to higher rank and to be entitled to different pins or certificates, you must do at least 54 chores each week for the following number of weeks after becoming Page; for squire, 3 weeks; for Knight, 5 weeks after becoming Squire, a total of 10 weeks; for Knight Banneret, 5 weeks after becoming Knight, a total of 15.

How many are going to receive a certificate? This is a very important matter and each teacher should insist upon her pupils following it out.

### ASSEMBLY NOTES.

The assembly meeting Tuesday, Feb. 25, was one of especial interest to the students. Fern Campbell led the singing. Ruth Jones gave a piano solo. Harold Adle a clarinet solo, and Mr. Colbert gave a very interesting talk on Present Strikes. Mr. Osborn used the remainder of the hour teaching the student body some new college songs.

Dr. Davis gave an interesting talk in Assembly Tuesday, Feb. 18, on the need of a New Constitution for Missouri.

George A. Greeson Jr., a student here during 1916-1917, visited the school Feb. 21. Mr. Greeson enlisted in the navy for four years in the spring of 1917, and was then sent to the Great Lakes, and Harvard for training in the radio service.

He was wireless operator for six months on a coast patrol vessel with Brest as his port.

The D. A. R. gave an entertainment at the Empire Theatre Feb. 24 in which many of the Normal students had a prominent part. Laura Margaret Raines and Audrey Stiwalt, of the Demonstration school, gave solo dances for which they had been trained by Miss Boggs. Miss DeLuce arranged a tableaux, "The Making of the First Flag." Miss Brunner and Miss Helwig were patronesses of the affair.

## Bear Cats Take Three Games

### Defeat Tarkio, Midland and Wesleyans.

With Ham and Richards on the bench because of injuries, the Bear Cats easily defeated Missouri Wesleyan 54-32 on the Normal court, Feb. 15. Summers, Pickens and Yehle made a good showing.

The Cameron team gave the home boys and also the spectators a genuine scare in the first few minutes of play. Maryville's new line up was slow in getting started and Cameron made four field goals before Puckett made good a free throw counting the Normal's first point.

The Wesleyans fought hard but were no match for the Bear Cats. Thirty-six fouls were called in the game, Puckett making ten free throws out of eighteen tries. Egley was put out on personals and was replaced by Yehle. Later in the game Pickens took Summers' place.

The game: Maryville (54).

Field Goals: Egley 5, Miller 13, Scarlett 2, Summers 2.

Missouri Wesleyan (32).  
Field Goals: Crider 2, Sharp 1, Medley 2, Holder 5.

Free Throws: Puckett 10; Holder 12.

Freeburg, Kansas City, refereed.

True to expectations Tarkio was defeated 61-18 in a fast, clean game on the Normal court Feb. 20.

The Normalites started the scoring and held their lead throughout the game. Their team-work in the first half completely dazed the Tarks. The guarding of Puckett and Richards caused the Tarkio players to take long, hurried shots while the Bear Cats ran up goal after goal after working the ball within shooting distance by means of a short, swift passing game.

Boettner, of Tarkio, suffered a broken nose in a collision with a Maryville player and was taken out of the game. Scarlett was put out on personal fouls. Egley starred for Normal having eight field baskets to his credit. Summers who replaced Scarlett showed good form. Kyle starred for Tarkio.

The game: Maryville, (61).

Field Goals: Egley 8, Miller 7, Ham 4, Scarlett 4, Puckett 3, Richards 2.

Free Throws: Puckett 5, Tarkio (18).

Field Goals: Patterson 2, McCoy 2, Kyle 3.

(Continued on Page Two)

## THE GREEN AND WHITE COURIER Maryville, Mo.

Edited and managed by the students and published twice each month at the State Normal School, Maryville, Mo., except the last of August and first of September.

Entered as second class matter, Nov. 9, 1914 at the Post Office at Maryville, Mo., under the act of March 3, 1879.

### THE MARRIAGE FEAST.

But they all with one accord began to make excuses. One said: "yea, it was indeed necessary for me to be out of town." Another coming, said, "I am sorry, but I, too, could not come." And yet a third, came, saying, "I had no costume, and it was not possible for me to be there, even so."

This is a short version of the excuses given for absences from the Senior-Sophomore party. Occasionally, one hears on the walks or in the halls, "Oh, nothing worth while ever happens around here." How many of us ever try to make things happen?

And when some folks, more willing, but not more efficient perhaps than others, take things in hand to make them happen, then we have the parable of excuses. Is it any wonder no one is interested in giving us a good time when we fail to reach out and take it when it is being passed around?

It is the cry of some students, "Oh, you never have any fun at a school party. We wonder how they know. We have never seen any of these at such a party. All we have to say in this connection is, that

those who did not come to the Colonial party missed a mighty good time.

And the faculty, where were they? The students were keenly appreciative of the presence of those who were there. We know they were for they said so quite frankly. But on the other hand, there were many wonderings as to where those who were not there could be. The absent members were missed. Come out, folks, the next time. The students want to know you when you're not dignified and to see you when you're just having a plain good time.

There are other things in school life as precious as books and lessons; some of them are human men and women, whom we need to meet. Let's meet some of them at the next party—some of them we did not have the pleasure of meeting at the last party.

### COLONIAL GUESTS

#### SEE WEDDING

(Continued from Page 1)

bert, Miss Helwig and Miss Winn were particularly charming in their costumes.

The library was prettily decorated in the appropriate Red, White and Blue and with house plants borrowed from various rooms in the building. An altar had been constructed by the use of plants, bunting and flags with a picture of Washington as a centre. It was here that the ceremony was performed. The serving table decoration was carried out in pink, a large bride's cake having been decorated in that color. Pink apple blossoms were also used in an effective manner. The room was strung with red, white and blue streamers and the lights had been covered with red crepe paper which gave a glow to the entire scene.

### BEAR CATS TAKE

#### THREE GAMES

(Continued from Page One)

Free Throws: Patterson 4.  
Freeburg, Kansas City, refereed.

The Bear Cats went to Atchison, Kan., Feb. 26 and added another victory to their credit by defeating Midland College 38-21. As Coach Sims was unable to make the trip, Mr. Rickenbrode accompanied the team.

The Normal five were greatly handicapped by the slick court. They were unable to put much speed into the game but made up for it by using their heads and letting the Midland team do the sliding around while Maryville by clever side-stepping and short, swift passes consistently rang up the baskets.

Ham, center, starred for Maryville. He played the floor the whole game and at the same time accounted for seven goals. Midland tried their five-man defense but failed to come out and meet the ball, hence Puckett, Scarlett and Richards passed the ball among themselves to

good advantage and kept their opponents from scoring or having a chance to score.

Egley, Ham, Richards, Puckett, Scarlett, Summers, and Miller made the trip. Ham scored seven field goals; Scarlett three; Miller six field goals and six free throws.

Keedy Campbell refereed the game.

Captain Miller is also the athletic editor of the Green and White. All who know Doc at all will understand why our readers have not heard of the exceptionally good work he has been doing this year. He has written of his various players starring at various games, but the editor now wants to give Earl credit in this postscript for his starring the whole season thru. One of the reporters of the Democrat-Forum has figured up the goals made by the forwards on the conference teams, and Captain Miller stands ahead of all of them.

Tarks, we admire your spirit! If you cannot win a game, the next best thing is to lose it gracefully. The write-up in the Phoenix, of the Maryville-Tarkio game is a good example of true sportsmanship. We must acknowledge that Tarkio has cornered that rare specimen—an editor who has brains enough and humor enough to be a good sport.

### Y. W. C. A. NOTES.

The program given Thursday, Feb. 20, was as follows:

Vocal Solo .....Matie Evans  
Talk .....C. E. Wells  
Piano Solo .....Ruth Jones  
Reading, More about Pattie—  
Etha Henderson.  
Vocal Solo .....Miss Zenor

Dr. Davis has received a card from Carl W. Bose. He is still in France.

### ALUMNI NOTES.

The alumni realize what a treat they missed in not being able to attend the annual colonial party. As proof, note the following extract from a letter written by Harriet Van Buren.

"Yes, I have been keeping closer tab on your activities than you perhaps have realized. Right now you can't imagine how much I should like to join you in preparing for the party tomorrow night. And then—when all was ready—rush home, don powder and paint and party gown, tuck my slippers under my arm, and proceed back up the hill, armed with raincoat, rubbers, and umbrella because of the cold rain that is fast turning into snow. A strange mixture for happiness no doubt, but I should willingly go thru with it all just to be there."

Blanche Daise, B. S., 1918, attended the basket ball game between Maryville and Tarkio, Feb. 20.

Dale Hulet attended a Centenary Meeting in Kansas City, Feb. 16-18. She was sent as a delegate from Maryville M. E. Church, because she is district secretary for the centenary movement.

Eunice Gromer, 1918, is teaching in the upper grades of the Humboldt school, St. Joseph.

Verne Pickens, B. S., 1918, has charge of English and Athletics in Bethany high school. We received a copy of the Purple and White, the Bethany school paper this week. It is a very creditable edition.

Miss Zenor is taking a week's vacation. Accompanied by her cousin she will look after land interests in eastern Texas. Virginia Lawson is taking charge of the music department during her absence.

## EXCHANGES.

Collected by the  
Woman-in-the-Upstairs-Window.

Maryville Normal has a mysturee! Two of 'em. Item: One unknown 'Strollery' and item: 'One Woman in the Upstairs window.' The 'Green and White Courier' contains a full description of the Stroller. She (?), he (?), it (?), has at least one characteristic in common with every one in Maryville Normal. If the miscreant is ever captured we'd like to see a picture. We always were interested in Natural History. — The Drury Mirror.

I read my paper Chinest fashion—last page first.—The Wilson Scientific Recorder.

I don't know who the Stroller is, but whoever he is, he has me sized up about right. —The Colbert Considerer.

Sometimes the Stroller is rather silly.—The Murphy Bee.

I wouldn't give the Stroller column paper room.—Miller Primary Educator.

There's always something good in the Stroller.—Turner Time Table.

I wouldn't have cared if there had been any truth in it.—Degan Penman.

Since the appearance of the Stroller column, I no longer have any Green and Whites to light the fires with.—Fannon Flashlight.

Everybody is talking about it.—Hall Herald.

I'll find out who did it, yet.—Dykes Menace.

It's too catty for a man to have written; and furthermore; a man would never have said "a little thing like a man."—The Osburns' Spectator.

## Schumacher's

I write that! I wouldn't spend my time writing that stuff.—The Wilkerson Tatler.

That's the poorest Stroller I ever read. It wasn't logical at all.—Lawrence Law Leaflet.

The Stroller is a living proof that a woman can keep a secret. —The Winn Weekly Mum.

I did hate to die and leave the old editorial room, but the Stroller has more than filled my place.—The Office Cat.

Dear Woman-in-the-Upstairs-Window: The Stroller is awfully funny and I enjoy it a lot and I am deeply appreciative of its wit. But please don't let the Stroller editor print any jokes on me. My home town folks always get hold of them. —An Anxious Reader.

We would suggest that "Dad" Scarlet, Maryville veteran guard be rechristened "Grandad" Scarlett.

It would seem that a man who has played basketball for the Normals for as many college generations as he has, and who is always ready to leave his lucrative business as a high school basketball coach to help the Bear Cats whenever they want to "Spike up" against some team—well it would seem that the title of "Grandad" wouldn't be inappropriate for such a man.—Tarkio College Phoenix.

## LITERARY SOCIETY NOTES.

### Philomathean.

The Philomathean Literary Society gave a very instructive program Feb. 19, at the weekly meeting. The feature of the program was a debate. Resolved that Federal Regulation of Privately Owned Railroads, is Superior to Government Ownership and Control.

John Robison, and Clifford Clark debated on the negative; Pearl Bryant the affirmative. Viola Barber the other affirmative speaker could not be present at the meeting. The judges scored each speaker. Robison was given first place, Bryant second, and Clark Third.

Interesting letters from the following Philos were read: Mary E. West, Liberty, Mo. Hazel M. Reaugh, Lawrence, Kan.; Marie Alcorn, Liberty, Mo., and Ella Moore, Albany, Mo.

The Philomathean program, Feb. 26, was very interesting and consisted of the following numbers: Vocal Solo ..... Fern Campbell  
Debate: Resolved, that a League of Nations will be a guarantee against further wars.

Affirmative: Helen Baker.  
Negative: Eucl Ramsey.

Miss Winn criticised the debaters and gave a very instructive talk on the League of Nations.

### Excelsior.

The Excelsior Literary Society

gave a very pleasing, and instructive program, Feb. 19, at their meeting. A debate on the question "Resolved that the Formation of a National Labor Party is for the Best Interests of the Country," was a feature of the program. Iva Ward and Forrest Brown debated on the affirmative, and Frances Holliday and Leo Nicholls on the negative. The judges decided in favor of the affirmative. A very clever reading by Etta Smith was much enjoyed by the society.

The Excelsiors enjoyed a humorous program at their regular society hour Wednesday, Feb. 26. The program consisted of:

Reading .....Laveta McClanahan  
Short Story .....Glee Brewer  
Reading .....Mary Angell  
Talk .....Mr. Miller  
"Stunts"—Forrest Brown, Iva Ward and Leo Nicholls.

The numbers were all interesting and very entertaining.

### Eureka.

The Eureka's have very little to say this week, but they hope to be able to say more next time. Do not think that we are dead, because we are just ready to push ahead with a bound. Please join us in the race, and we are sure that you will be well repaid.

Miss Theodosia Raines of Denver, Colo., arrived in Maryville, Feb. 18, to visit her brother, H. L. Raines and family. Miss Raines was on her way back from St. Louis where she attended the National Vocational Education Society Convention. She was delegated by the federal board, to represent the middle west vocational guidance association at this convention.

Mary Keeler and Elvira Ward enrolled in school Feb. 28.

## ENGAGEMENT ANNOUNCED.

Many readers of the Courier will be interested in the following article from the Gunnison News-Champion:

Feb. 15, the group of faculty ladies and wives gathered at the home of Mrs. J. H. Kelly, ostensibly to enjoy a Valentine party; but the hostesses, Mrs. Richter, Miss Hazeltine and Miss Yowell had planned otherwise as the purpose of the affair was the announcement of the coming marriage of a member of the Normal faculty, Miss Mary M. Hughes to Mr. N. B. King of Canon City, Colo.

The entertainment for the afternoon consisted of preparing various articles necessary to the house-keeper-to-be, as hemming towels, making aprons and other appreciated gifts. Under the expert instruction of Miss Ross several of the guests were initiated into the mysteries of basket making; and the resulting baskets formed a valuable part of the shower. Considerable merriment was had as each lady, experienced or otherwise, had to write a bit of valuable advice in verse, insuring the happiness of the future bride; and of course the best advice was given by one as yet inexperienced. After the serving of dainty refreshments, Miss Hazeltine, ever generous with her gifts, sang several songs, prophetic of events to come. When departing the guests wished Miss Hughes many years of happiness tho regretting she is not to be with us in the future.

The many readers of the Courier who remember with pleasure the days when Miss Hughes was an instructor in our school will wish to join the faculty and students of the Colorado Normal in wishing her much happiness.

Gail Bishop is in Tucson, Arizona visiting her sister.

W. J. HAWKINS, Manager.

# Reuillard's

—where they all go

## THE STROLLER.

Who is the Stroller? John Robison wore the Stroller's name on his back the night of the party. Is he really 1? Could you expect me to say? They say a woman cannot keep a secret. I've got a girl now and she knows that I am the Stroller. I am trusting her; I know she is an exception to the rule, but just the same, I am not going to tell you who she is.

I wish they would get socialism. Bolshevism, mob-law and the like straightened up in this country. I just heard the other day that there are lots of folks waiting around the corner with bricks in their hands and revenge in their heads, and I do hope that such a spirit will be curbed by law before any one finds out who I am.

This I overheard in the corridor between a new student and one who knows the ropes:

"What are you going to use all those slips of paper for?"

"For lesson assignments."

"Whose classes are you in?"

"Oh, Mr. Swinehart and \_\_\_\_\_"

"Stop right there; Mr. Swinehart will use them all up the first day."

Mr. Miller takes the prize with this:

The other morning he said to his Sunday school class: "I think it would be wonderful to have a strong physical body as Dad Scarlet, for example."

Then placing his hand on Scar-

let's shoulder, he added: "But I believe I would rather have brains."

The Stroller has discovered a new use for the back stops on the tennis courts. They are to stop people when that northwest wind starts to blow them clear across the campus. They work beautifully, but the stroller is afraid he made a very perceptible dent in the wire.

When the Stroller first came to Maryville, he almost got called out the first thing. Coming in on the Burlington, he took a jitney at the station. As the car whirled past the streets, he was leisurely looking things over. Suddenly, the driver stopped and called at one street corner, "Davis," and a tall, dark man got out. We went on a little farther, and the driver again called, "Charles." This time a man the Stroller knew, the school librarian got out. When Hester, Mattie and Laura were called in turn, the Stroller was not surprised to see three maids alight. As he was afraid such an omniscient man might yell his name right out loud, he quickly said, "I guess I'll just get out at Main Street." Which he did.

The Stroller wandered into the office of a prominent doctor the other day and overheard a faculty man talking very seriously with his physician. Said Mr. \_\_\_\_\_: "Doctor, my hair is falling out and I would like to get something to keep it in." "Well," said the doctor, "here is an old pill box. Will it do?"

This he heard in School Economy: "Germs are carried by flies, cows, mosquitoes and other animals."

The Stroller was in one of Mr. Swinehart's English classes on a certain Monday. The class was studying Marmion. Mr. Swinehart asked: "Why was Constance so brave, Miss Helen?"

"Well, she was brave because she wasn't afraid."

A few minutes later the teacher asked, "where was Marmion going?" He pointed his finger at a very much frightened little girl. She answered: "To the place that \_\_\_\_\_"

"What place?" he interrupted.

"The place where he was going, of course."

Then Mr. Swinehart gave a very instructive lecture on the subject of studying. As a result, the Stroller is studying more and strolling less.

Robert Stoll, a former student in the training school, is now in New York waiting to start on his ninth trip across the Atlantic. Robert is a sailor on the Mongolia. He praises the Red Cross ladies very highly and says they were the last to leave the boys when they went across and now are the first to greet them as they come back.

B. E. Condon of the navy and Dewey Covey who was in the army, have been discharged and visited at the Normal Feb. 26.

Edna King resigned at Roister School and is at home in Parnell on account of ill health.

Dr. Davis is attending the Superintendents' section of the N. E. A. at Chicago this week.

Morrill Cook, son of Homer Cook, former President of the Normal, has written a most thrilling letter, which was published in the Literary digest for Feb. 15.

The letter tells in a very fascinating way of the fighting in the Argonne Forest, on the day the armistice was signed. Mr. Cook took an active part in the battle.

Golda Airy, a former Normal student who is employed in an art studio at Des Moines, is now at home on a visit.

Fred Connor was in Maryville, Feb. 20 to see the Tarks whipped. He has been at the Great Lakes Training Station but received his discharge Dec. 20. He may return to school.

Mr. Richardson was called to Jefferson City, March 4 to consult with the Committee on Appropriations.

Mr. Swinehart refereed the basketball game between Stanberry and Bethany at Stanberry Feb. 14. Bethany won.

Hopkins defeated Chillicothe in a game which he refereed at Hopkins Feb. 15. The winners in these two games are strong contestants for the honors in the high school conference.

Mabel Dunshee of Stanberry has been very ill with spinal-meningitis. Her condition is better at the present writing. Mabel was a student here last winter.

Friday, Feb. 21, Mr. Miller went to Ravenwood to judge a debate between the high schools of Barnard and Ravenwood. The question was: "Resolved that the formation of a national labor party would be for the best interests of the country." The decision was in favor of the negative, which was represented by Ravenwood.

The debate was followed by a reception and music. Mr. Miller read several selections. The high school activities there this year are putting Ravenwood on the map.

## BOYS MEET.

The boys had a very unusual and amusing program at ten o'clock Thursday morning, Feb. 20. This meeting was planned by John Robison and Clifford Clark. Each boy was given a number. Thirteen and twenty-three were the lucky ones. As the boys received their numbers they smiled as much as to say, "Oh how nice to be fortunate!" But the smile soon vanished, for the managers announced that all those who held thirteen were to sing songs, and the twenty-three's were to tell a short story or joke. To the surprise of all, they found that each one present had one of the lucky numbers.

Mr. Sims and two of the boys were judges for this program. They could not agree on the two best numbers. When Mr. Sims went forward to give the decision of the judges, he criticized the other two judges very severely for their lack of intelligence and gave Dr. Davis credit for rendering the best selection. Dr. Davis held a 13. When he went forward to give his selection, he asked each one to get in a particular position. But alas, when he started to sing he found he had forgotten the words, and as no one could come to his rescue, he took his seat.

Warren Wilson, a former Normal student is teaching near Guilford.

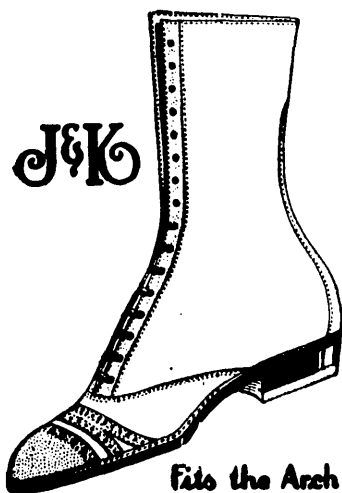

The office force is at work on a new bulletin which is to be published soon.

Miss DeLuce spent Feb. 16 and 17 in Albany as guest of Marjorie Wilfley.

Mary Andrews, a former student of the Normal, has accepted a position as stenographer in the People's Bank at Summerville.

Mrs. Alice Sullivan and family of Wyoming are visiting her parents, Mr. and Mrs. J. W. Ray. Mrs. Sullivan was formerly Miss Alice Ray.

Beulah Beggs, who attended the Normal last year is teaching in the Madison high school. She has classes in junior and senior English, and in sophomore history.
